

virtual meetings and conferences

We understand the value of face-2-face events and interactions, but don't put your event plans on hold this year. Staying in touch with your colleagues and customers has never been more important. **Hinxton Hall Conference Centre** team understand that hosting a virtual event requires the same professional care and attention to make it a success - for you and your attendees. Our bespoke virtual and hybrid event solutions are provided in partnership with experienced technical provider **Venue Audio Visual**, to make your event creative, memorable and an actively engaging experience.

our service

Your bespoke package will be tailored to your event requirements and budget. It can include a range of options, such as:

- A secure, branded conference site for all your event assets, including posters, Q&As, and speaker biographies. Select from our library of inclusive images or provide your own.
- Spatial Chat platform for networking and exhibitor sessions.
- Live Q&A chat, with optional live polling.
- Remote recording of talks, including video and audio optimisation, and presentation slides.
- Editing of talks to create easy-to-navigate, titled sessions for on-demand viewing following the live agenda.
- Sponsor banners and customisable exhibitor pages.
- Integration with EventBrite booking system
- Analytics and post-event surveys/feedback
